

THE RULES

FOUR RULES AND ONE BONUS. THAT'S THE WHOLE GAME.

1

SURVIVE

Stay alive from December 1st through December 24th without hearing Last Christmas by Wham!

2

ORIGINAL ONLY

Only the original Wham! recording counts. Covers, remixes, and versions by other artists are safe.

3

INSTANT ELIMINATION

The moment you recognise the song, you're out. No exceptions, no second chances.

4

SHARE YOUR FATE

If you're eliminated, let the world know with #whamageddon on social media.

BONUS

This is a survival game, not a competition. Deliberately playing the song to eliminate friends is unsportsmanlike and thoroughly un-Whamly. Don't be that person.
